

Art changes lives. Friends help.

The **Friends of the MACK** program is new this year to offer committed donors a giving option that would help the MACK tremendously. We recognize that the major donors program may be a challenge for some, or just at this time. We are seeking individuals, families or groups that may be interested in supporting the MACK to give at level that goes beyond membership and renews annually. These contributions will ensure the our cultural center has the necessary resources to function, serve and succeed. All gifts are appreciated and are tax deductible. All **Friends of the MACK** will be considered “Keturah Club” members. A description of this level and benefits will be provided. Please consider the following options as you plan for your giving this year.

\$500

\$250

Other amount \$101 - \$999
